

VTech® and LeapFrog® Toys Named to *The Toy Insider's* Hot 20 and STEM 10 Lists

Additional VTech® and LeapFrog® Products Featured in Holiday Gift Guide

CHICAGO, September 21, 2022 /PRNewswire/ VTech® and LeapFrog® announced today that 14 products have been selected for *The Toy Insider's* 17th annual holiday gift guide, a trusted go-to resource for parents and gift-givers. VTech's Level Up Learning Chair™ and LeapFrog's Clean Sweep Learning Caddy™ were named as part of the coveted Hot 20 list, highlighting the top toys children will be asking for this holiday season. VTech's Smart Chart Medical Kit™ and LeapFrog's Magic Adventures Microscope™ were included on the STEM 10 list, featuring toys that encourage science, technology, engineering and math skills to make learning fun. The full holiday gift guide also features six additional VTech products and four additional LeapFrog products.

"We're so happy to be featured in *The Toy Insider's* popular holiday gift guide and on the exclusive Hot 20 and STEM 10 lists," said Andy Keimach, President, VTech Electronics North America. "*The Toy Insider* always has a pulse on what's going to be hot for the holiday season and we couldn't agree more that the VTech and LeapFrog toys they included will make great gifts."

Little gamers get their very own preschool game station with VTech's Level Up Learning Chair featuring an interactive tablet, swivel seat, joystick and pretend headphones, turning gaming time into learning time. With the Smart Chart Medical Kit, kids can dress up like a doctor and use the play tools and interactive healthcare tablet to care for their family, friends, dolls and stuffed animals. Additional VTech products featured in *The Toy Insider* gift guide include the Kick & Score Playgym™, DJ Beat Boxer™, My First Kidi™ Smartwatch, Pop & Spin Mower™, KidiGo® NexTag™ and Marble Rush™ Corkscrew Rush Set™.

LeapFrog's Clean Sweep Learning Caddy lets kids pretend to clean with an interactive caddy and cleaning tools, including an adorable bucket that lights up and sings, a mop, spray bottle, cloth, dustpan and broom. With an innovative take on a classic microscope, the Magic Adventures Microscope can help kids realize how cool science and the microworld can be, with 200x magnification and eight double-sided smart slides that activate amazing BBC videos and images. Additional LeapFrog products named as top holiday toys include My Pal Scout Smarty Paws™, Wooden AlphaPup™, Tappin' Colors 2-in-1 Xylophone™ and LeapPods Max.

"Every year, VTech and LeapFrog offer a full lineup of new toys that are full of educational value; innovative, integrated tech; and, above all else, fun!" says Ali Mierzejewski, editor-in-chief, *The Toy Insider*. "It's a testament to their wide range of toys that multiple products from these brands have earned spots on our coveted Hot 20 and STEM 10 lists, as well as throughout our holiday gift guide."

About VTech®

VTech is a world leader in age-appropriate and developmental stage-based electronic learning products for children. As a pioneer in the learning toy category, VTech develops high-quality, innovative educational products that enrich children's development and make learning fun. With a rich 45-year history, VTech has not only established itself as a learning authority but also consistently remains at the forefront of innovation with multiple award-winning products, including prestigious Toy of the Year (TOTY) Award winners. The company also has a broad range of award-winning infant, toddler and preschool products available in 28 different languages worldwide, with more than 100 new products introduced every year. In order to further strengthen VTech's position as a learning authority, new products are developed with critical insights from a dedicated team of in-house learning experts.

VTech Electronics North America, L.L.C. is based in Arlington Heights, Illinois. VTech Electronics Limited is headquartered in Hong Kong with distribution globally.
