HOW TO PLAY

Getting Started

Insert the cartridge with the printed side facing to the back. Press the On/Off button to begin.

Starting Your Game

Use the stylus to select the **PJ Masks** icon on the main menu.

Getting Help

Press the Hint button anytime for how-to-play help or tutorials that explain rules and concepts.

Images represent gameplay only. Actual gameplay and visual quality may vary.

This game works with LeapPad™ learning tablets (not compatible with LeapPad1, Leapster Explorer or LeapsterGS game systems). INTERNET CONNECTION MAY BE REQUIRED FOR PROGRAMMING UPDATE from the LeapFrog™ Connect Application.

LEARNING IN ACTION

PJ Masks offers children in pre-K through kindergarten (ages 3-5 years) the opportunity to practice important mathematics skills. Through exciting adventures, children practice number recognition, identify patterns, learn to write numbers and solve math problems.

Number Recognition

Practice number recognition and sequencing to defeat Romeo's giant robot.

Shapes and Patterns

Help Owlette against the Mini-Bots by recognizing shapes and fixing patterns.

Writing Numbers

Learn to write numbers while racing through the city to fix all the books.

JUST FOR ME™
LEARNING TECHNOLOGY

Because every child learns differently, this game personalizes the learning in 4 ways to keep your child challenged and learning.

Right-For-Me Starts

Curriculum is based on each child's age/grade for a seamless entry point into the learning—right from the start.

Adjust-To-Me Learning

Games automatically adapt to each child's skill level—adjusting the curriculum for just the right challenge.

Remember My Learning Level

Curricular progress is remembered across games with similar curriculum --children move forward toward new challenges, rather than retread mastered skills.

Press & Teach

Tutorials are available at the touch of a button and teach underlying concepts to help children gain the understanding they need.

Guide & Learn

Immediate feedback guides children to understand why answers are wrong or right so they progress toward correct responses.
