

Touch & Learn eReader™

Instruction Manual

This manual contains important information. Please save it for future reference.

INTRODUCTION

Thank you for purchasing the **Touch & Learn eReader™**. With the First Phonics eReader, children can build reading confidence as they engage independently with 10 creative stories and play games that allow them to recognize how sounds - represented by different letters - blend into words.

INCLUDED IN THE PACKAGE

- Touch & Learn eReader™
- Quick Start Guide

WARNING

All packing materials such as tape, plastic sheets, packaging locks, removable tags, cable ties, cords and packaging screws are not part of this toy, and should be discarded for your child's safety.

NOTE

Please save this Instruction Manual as it contains important information.

ATTENTION :

Pour la sécurité de votre enfant, débarrassez-vous de tous les produits d'emballage tels que rubans adhésifs, feuilles de plastique, attaches, étiquettes, cordons et vis d'emballage. Ils ne font pas partie du jouet.

NOTE :

Il est conseillé de sauvegarder ce manuel d'utilisation car il comporte des informations importantes.

Activate Standard Play Mode

This product is in Demo mode in the packaging. To activate standard play mode, please complete the following steps:

1. Locate the Play/Demo switch  on the back of the toy.
2. Slide the switch from Demo  to Play .

In Demo mode, only a short game play is demonstrated.

GETTING STARTED

BATTERY REMOVAL AND INSTALLATION

1. Make sure the unit is turned **Off**.
2. Find the battery cover located on the back of the unit. Use a screwdriver to loosen the screw and then open the battery cover.
3. Remove old batteries by pulling up on one end of each battery.
4. Install 3 new AA (AM-3/LR6) batteries following the diagram inside the battery box. (For best performance, alkaline batteries or fully charged Ni-MH rechargeable batteries are recommended.)
5. Replace the battery cover and tighten the screw to secure.

WARNING:

Adult assembly required for battery installation.

Keep batteries out of reach of children.

ATTENTION :

Les piles ou accumulateurs doivent être installés par un adulte. Tenir les piles ou accumulateurs hors de portée des enfants.

IMPORTANT: BATTERY INFORMATION

- Insert batteries with the correct polarity (+ and -).
- Do not mix old and new batteries.
- Do not mix alkaline, standard (carbon-zinc) or rechargeable batteries.
- Only batteries of the same or equivalent type as recommended are to be used.
- Do not short-circuit the supply terminals.
- Remove batteries during long periods of non-use.
- Remove exhausted batteries from the toy.
- Dispose of batteries safely. Do not dispose of batteries in fire.

RECHARGEABLE BATTERIES

- Remove rechargeable batteries (if removable) from toy before charging.
- Rechargeable batteries are only to be charged under adult supervision.
- Do not charge non-rechargeable batteries.

PRODUCT FEATURES

1. Off/Low/High Volume Control Switch

Slide the **Off/Low/High Volume Control Switch** to the **Low**  or **High**  position. To turn the unit Off, slide the **Off/Low/High Volume Control Switch** to the **Off**  position.

2. Activity Buttons

Three activities build early reading skills through animation and interaction.

3. Music Button

Press the **Music Button** to hear one of five songs.

4. Story Buttons

Press one of the story buttons to hear a phonics story or a fairy tale read aloud. The phonics stories help teach vowel sounds while the fairy tales help build a love of story.

5. Keyboard

The keyboard is used to answer questions in the activities and interact with the phonics stories.

6. Settings

Make the screen brighter or dimmer and set the background music on or off, then press the square button to choose.

7. Left Arrow Button

During reading, one press will repeat the current page. Two presses will take the reader back to the previous page and restart the narration from the top of the screen. After the narration has ended, go to the next page.

8. Right Arrow Button

During reading, one press will go to the next page. If the next page is a mid-story animation, the reader presses a letter to answer the question and it goes to the next page.

9. Square Pause Button

Square pause button during reading or songs, pressing the square pause button pauses the narration or song. A second press restarts the narration or song.

10. Up/Down Scroller

During reading, scrolling up or down will go back to the previous page or go to the next page, then it will pause at the end of the current screen when the narration has ended. During songs, scrolling up or down will play another song.

11. Automatic Shut-Off

To preserve battery life, the **Touch & Learn eReader™** will automatically shut off after approximately 45 seconds without input. The unit can be turned on again by pressing any buttons or letter keys.

SONG LYRICS

1. Stories to tell

So many stories to tell,
We love to read and let the words reveal the mysteries.
Each one has something to tell,
Those fantastical and magical stories!

2. Love to read

Oh, how I love to read.
Everywhere I go I take my stories with me.
Come along and I'll show you why I love to read!

3. Short Vowel Jam

Silly cat wants a snack!
Will he find a snack in the hat?
Dot got lost in the doggie shop.
Isn't that just her luck? Huh!
Where is Hen? She's left the pen.
The Duck is stuck... in the short vowel jam!

4. Fairy Tales

Fairy tales are fun to read!
Full of magic and mystery.
Make believe or fantasy,
Everybody loves a good fairy tale!

5. It's storytime

Stories can take you anywhere. Let's Go!
Words and adventures inside your head!
I can't wait, it's storytime!

CARE & MAINTENANCE

1. Keep the unit clean by wiping it with a slightly damp cloth.
2. Keep the unit out of direct sunlight and away from any direct heat sources.
3. Remove the batteries if the unit will not be in use for an extended period of time.
4. Do not drop the unit on hard surfaces and do not expose the unit to moisture or water.

TROUBLESHOOTING

If for some reason the unit stops working or malfunctions, please follow these steps:

1. Turn the unit **Off**.
2. Interrupt the power supply by removing the batteries.
3. Let the unit stand for a few minutes, then replace the batteries.
4. Turn the unit **On**. The unit should now be ready to use again.
5. If the unit still does not work, install a new set of batteries.

Environmental Phenomena

The unit may malfunction if subjected to radio-frequency interference. It should revert to normal operation when the interference stops. If not, it may become necessary to turn the power **Off** and back **On**, or remove and reinstall the batteries. In the unlikely event of an electrostatic discharge, the unit may malfunction and lose memory, requiring the user to reset the device by removing and reinstalling the batteries.

Impact de l'environnement

Une défaillance de fonctionnement de l'appareil peut survenir s'il est sujet à des interférences avec les fréquences radioélectriques. Le fonctionnement normal de l'appareil devrait reprendre avec l'arrêt des interférences. Si ce n'est pas le cas, il peut s'avérer nécessaire d'éteindre et rallumer l'appareil ou de retirer et réinstaller les piles. Dans l'éventualité peu probable d'une décharge électrostatique, un mauvais fonctionnement et une perte de mémoire de l'appareil peuvent se produire. L'utilisateur doit alors retirer et réinstaller les piles pour réinitialiser l'appareil.

NOTE

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

CAUTION

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

IMPORTANT NOTE:

If the problem persists, please call our **Consumer Services Department** at **1-800-701-5327** in the U.S. and Canada, or email **support@leapfrog.com**. Creating and developing LeapFrog products is accompanied by a responsibility that we take very seriously. We make every effort to ensure the accuracy of the information, which forms the value of our products. However, errors sometimes can occur. It is important for you to know that we stand behind our products and encourage you to contact us with any problems and/or suggestions you might have. A service representative will be happy to help you.

Supplier's Declaration of Conformity

47 CFR § 2.1077 Compliance Information
