More fun learning toys from LeapFrog!

Dear Parent,

We at LeapFrog know that you are your child’s most important teacher. Our goal is to help you build an environment for your child that is rich in experiences—one that encourages discovery and fosters learning success.

As children grow, they are ready for more complex challenges. For preschoolers, we have a line of products that develop basic fundamentals to help prepare children to enter the classroom. Cheerful characters and delightful songs enhance the play experience while teaching the alphabet, phonics, vocabulary, colors/colours, numbers and counting.

LeapFrog learning toys are designed to grow alongside your child through each stage of development. All are made with the same playful spirit that promotes a lifelong love of learning. For additional information on how to make learning fun and effective, visit our Web site (www.leapfrog.com), where you’ll find tips from parents and educators. We hope you’ll join us there.

Sincerely,

Tom Kalinske
CEO
LeapFrog Enterprises, Inc.

Inspiring a Lifelong Love of Learning

✓ EARLY READING
The learning screen lights up to show uppercase and lowercase letters, which helps develop letter-recognition skills.

✓ NUMBERS AND COUNTING
Rhyming songs introduce numbers 1-20, both up and down. The learning screen reinforces auditory learning with visuals of the numbers.

✓ PHYSICAL DEVELOPMENT
Engaging music encourages children to move and dance along as Fridge DJ™ spins learning songs!
