Building letters into words helps reading skills take flight!

Word Building
Fun, interactive games and songs help children understand how to combine letters to form three-letter words.

Rhyming
Children deepen their understanding of word patterns by replacing letters to make rhyming words.

Letter Names and Sounds
Lively songs help children learn the names and sounds of all of the letters of the alphabet.

Fine Motor Skills
Putting letters in and taking letters out of the reader helps children develop fine motor skills.

Instructions for Play

Clean First foil that comes away from product. Never spill liquid of any kind on the product; it may cause damage or render the device inoperable. Clean with a slightly damp cloth. Do not use soap or detergent. Never submerge device in water. Avoid prolonged exposure to extreme temperatures and do not cool. Avoid dropping the unit. Do not attempt to insert keys or other items into the toy. Batteries

Battery Information

Batteries included for in store demonstration and may/should be replaced for home use. Replace 2 (AA) alkaline batteries in the unit. Batteries are not included. Battery Replacement and Installation Instructions:

1. Open the battery door with a screwdriver.
2. If used or spent batteries are present, remove these batteries from the unit by pulling up on one end of each battery.
3. Install new batteries at the polarity (+/-) indicated in the battery compartment.
4. Close battery door securely.

Battery Safety

Batteries are small objects. Batteries must be replaced by an adult. Follow the polarity (+/-) diagram in the battery compartment. Properly remove used batteries from the toy. Dispose of used batteries properly. Harmful chemicals for prolonged duration. Both batteries of the same type or unequal type are recommended to be used. Do not remove used batteries.

Do not disassemble batteries, as this may expose the user to harmful chemicals.

Do not mix different types of batteries (e.g., alkaline, standard).

Do not mix rechargeable and non-rechargeable batteries.

Do not mix new and old batteries.

Do not mix different sizes of batteries.

Scalable ratios of use plus

If you do not see the object to point to, replace the batteries. Replace the approximately 200 plastic parts of the unit. Replace the approximately 200 plastic parts of the unit. Do not remove the batteries. Use batteries of similar capacity or similar size. Use the correct battery type only. Rechargeable plus batteries of different size, or different types of batteries (+/-) as well as rechargeable batteries.
