After the installation is complete, you are ready to use Amazon Appstore.

Log in with your Amazon account or create a new one.

The Amazon Appstore should now open on the tablet.

After downloading an app from the Amazon Appstore, tap "Install" to complete the app installation.

You can also check out the Help screen in the Amazon Appstore for more information.

Home Screen

When you install an app from the Amazon Appstore, it will appear in your child's app tray with a gray border.

Where to Find Amazon App Store Once Installed

To find the Amazon App Store, go to Parents, then select "All Apps."

Amazon Controls

For information on Amazon store settings such as how to disable in-app purchases and enabling other Amazon parental controls, open the Amazon Appstore and select "Customer Service" from the drop down menu.
