Bop around! Learn letters and letter sounds.

Parent Guide & Instructions
This guide contains important information. Please keep it for future reference.

Think Fast!
Match all 26 letters to sounds and words.

Phonics Skills
The LETTER CRAZY!™ game helps develop phonics skills by challenging children to identify letters through letter sounds and initial word sounds. Developing phonics skills is an important step in building a foundation for reading.

Motor Skills
The LETTER CRAZY! game develops hand-eye coordination by encouraging children to respond quickly to verbal cues.

Learning Levels
The LETTER CRAZY! game features three challenge levels, which allows children to progress to more challenging curriculum as they acquire new skills and confidence.

- Phonics Game
  3–6 years

- Concentration Game
  3–6 years

- Sequencing Game
  3–6 years

Listen, remember and match! 3 in a row wins.
Twist and spin! Get the sequence right to win.

Bop around! Learn letters and letter sounds.

See the Learning™
Learning experiences are never one-size-fits-all. That’s why we created an online Learning Path that can be custom-tailored to shape and inspire each child’s unique learning journey. Connect and see what they’re learning, how they’re growing and, most importantly, who they’re becoming.
