

Short Vowel Memory

Have an adult help you cut out all 10 cards. You will need a partner to play this game. Place the cards face down and take turns turning over two cards. When you turn over a card, say the name and the letter that makes the short vowel sound (Meg, /e/, that's the letter E; fox, /o/, that's the letter O). If you make a match (like Meg and shell) you can keep the cards. Play until all the pairs have been found.

 Meg	 Al	 Izzy	 Og	 Gus
 shell	 hat	 pig	 fox	 sun
