Fun next steps on your child’s reading journey!

To be there every step of the way,
It’s a hope you have for your child and one that LeapFrog shares. Toys like Hide-and-Seek at the Farm help inspire excitement in young children about books—one of the first steps in their journey toward a love of reading.

Instructions for Play

Getting Started

To turn on the Hide-and-Seek at the Farm, close the Off/Low/High switch on the back of the book to the desired volume setting. To turn it off, slide the switch to off.

Note: The Hide-and-Seek at the Farm will shut off automatically after a period of inactivity. You can wake it up again by turning a page or by pressing the sun button.

Learning Modes

The Hide-and-Seek at the Farm offers three ways to play!

Interactive Story Time

When your child opens the book, he or she will hear new lines of the story. Press the sun button while the book is closed to hear even more—there are more than 30 story surprises to discover!

Together Time

Turn the Hide-and-Seek at the Farm book off to enjoy quiet time with your child as you tell the story aloud.

Music Mode

When the book is closed, it is in Music mode. Press the sun button for fun farm songs to read the story aloud.

Learning Stones

You can wake it up again by turning a page or by pressing the sun button. You can do the dance along to!
