

Pet Pad Action Bingo

Prep: Cut out the game cards and activity cards. Shuffle the activity cards and place face down. Give each player a game card and a pile of pennies (or other small markers).

To play: Players take turns drawing an activity card. As each card is read aloud, players perform the action described on the card. They then locate and mark the matching space on their game card. The first player to mark five spaces in a row in any direction wins the game.
