

# Pet Pad Racers Logic Puzzle

The Pet Pad Pets are having a race. Can you figure out which pet is winning and who is in each lane? Use the information to help you complete the scene. Cut out the pets and glue them onto the track.

The pet in last place is the cat.  
 The pet in Lane 1 is in the lead.  
 The dragon is in Lane 2.  
 The dog's lane is between the dragon's and the cat's.  
 The dragon is behind the panda and in front of the dog.
