Core Learning Skills

Musical tiles talk, teach and sing!

Phonics Skills
Playful phonics songs help children learn about the sound each letter makes. Tactile play with individual letter tiles helps reinforce this curriculum.

Motor Skills
Moving letters into and out of the reader helps develop fine motor skills.

The Alphabet
Children are introduced to the alphabet through the Alphabet Song and hands-on play.

Instructions for Play

Getting Started
Lift the LETTER FACTORY PHONICS™ reader (lid) to access the letter tiles in the storage container. To turn on the toy, slide the switch to the desired low or high volume setting. To turn it off, slide the switch to OFF.

Note: The LETTER FACTORY PHONICS toy will automatically turn off after 15 seconds of inactivity. You can start playing again by placing a tile in the reader or pressing the button.

Function/Game Modes
There are two fun ways to play:

• Insert a tile into the reader and press it to hear a song about the letter name and sound.
• Press the button to hear the Alphabet Song.

Instructions for Care

FOR DRY, INDOOR-LOCATION USE ONLY
Keep food and beverages away from product. Never spill liquid of any kind on this product as it may cause damage or render the device inoperative. Clean with a slightly damp cloth (cold water). Do not use soap or detergent. Never submerge the unit in water. Avoid prolonged exposure to extreme temperatures and direct sunlight. Avoid dropping the unit. Never try to dismantle it.

CAUTION: Routinely check this toy for proper and safe condition. If there is any damage or broken parts, remove toy from use.

ATTENTION: Vérifier régulièrement l'état et le fonctionnement de ce jouet afin d'en garantir la sécurité. S'il est cassé ou endommagé, même partiellement, ranger ce jouet hors de portée de votre enfant.

Battery Information
Batteries included are for in-store demonstration and should be replaced for home use. Requires 3AAA (called LR03 in some countries) alkaline batteries.

Battery Removal and Installation Instructions
1. Open the battery door with a Phillips screwdriver.
2. If used or spent batteries are present, remove these batteries from the unit by pulling up on one end of each battery.
3. Install new batteries as shown in the polarity (+/-) diagram inside the battery compartment.
4. Replace battery door securely.

Battery Safety
Batteries are small objects and may pose a choking hazard for small children. Batteries must be replaced by an adult. Follow the polarity (+/-) diagram in the battery compartment. Promptly remove dead batteries from the toy to avoid leaking. Dispose of used batteries properly. Remove batteries for prolonged storage. Only batteries of the same or equivalent type as recommended are to be used.
DO NOT incinerate used batteries.
DO NOT dispose of batteries in fire, as batteries may explode or leak.
DO NOT mix old and new batteries or types of batteries (i.e., alkaline/standard).
DO NOT use rechargeable batteries.
DO NOT short-circuit the supply terminals.

Volume Control
OFF/low/high

Alphabet Song

ATTENTION:
Routinely check this toy for proper and safe condition. If there is any damage or broken parts,

NOTE:
This device complies with Part 15 of the FCC rules. Operation is subject to the following two conditions:

1) This device may not cause harmful interference, and
2) This device must accept any interference received, including interference that may cause undesired operation.

FCC Notice:
This device complies with Part 15 of the FCC rules. Operation is subject to the following two conditions:

1) This device may not cause harmful interference, and
2) This device must accept any interference received, including interference that may cause undesired operation.

Symptom
Toy does not turn on or does not respond

Try This
• Make sure the OFF/Low/High switch is not in the OFF position
• Make sure batteries are correctly installed
• Make sure battery cover is securely attached
• Remove batteries and put them back in
• Clean battery contacts by rubbing lightly with a soft eraser and then wiping with a clean and dry cloth
• Install new batteries

Troubleshooting

Toy makes improper responses

Try This
• Follow the above instructions to clean battery contacts
• Install new batteries

NOTE: Changes or modifications to this unit not expressly approved by LeapFrog Enterprises, Inc., could void the user’s authority to operate the equipment.

This Class B digital apparatus complies with Canadian ICES-003.
Cet appareil numérique de la classe B est conforme à la norme NMB-003 du Canada.

Environmental Phenomena

• The unit may malfunction if subjected to radio-frequency interference. It should revert to normal operation when the interference stops. If not, it may become necessary to turn the power off and back on, or remove and reinstall the batteries.

• In the unlikely event of an electrostatic discharge, the unit may malfunction and lose memory, requiring the user to reset the device by removing and reinstalling the batteries.

Impact de l’environnement

• Une déféaillance de fonctionnement de l’appareil peut survenir s’il est sujet à des interférences avec les fréquences radioélectriques. Le fonctionnement normal de l’appareil devrait reprendre avec l’arrêt des interférences. Si ce n’est pas le cas, il peut s’avérer nécessaire d’éteindre et rallumer l’appareil ou de retirer et réinstaller les piles.

• Dans l’éventualité peu probable d’une décharge électrostatique, un mauvais fonctionnement et une perte de mémoire de l’appareil peuvent se produire. L’utilisateur doit alors retirer et réinstaller les piles pour réinitialiser l’appareil.
