

Say Hot, Say Cold in Español

Javier and Claudia from GeoKids know the Spanish words for hot and cold. Do you? Look at the pictures. Draw lines from the cold things to the Spanish word for cold, frío. Draw lines from the hot things to the Spanish word for hot, caliente.

Now play Calientey Frío (Hot and Cold) with a friend!

How to Play: One player hides an object and the other looks for it. The hider calls “Caliente!” (“Hot!”) when the finder gets nearer to the object. The hider calls “Frío!” (“Cold!”) when the finder moves away from the object.
